Highlights for this quarter

ASEAN Regional Oil Spill Contingency Plan Workshop
IMO with support from Government of Malaysia and the Marine Department of Malaysia organised a Workshop on ASEAN Regional Oil Spill Contingency Plan held from 2-6th July 2018 in Selangor, Malaysia. This activity brought together representatives from the ASEAN Member States' competent national authorities and related agencies. The sessions comprises of information sharing presentations, a walk-through tabletop exercise and concluded with a discussion session on the proposed Road Map. PIMMAG and PETRONAS hosted the delegates on a field trip for a day.

Indonesia National Marine Pollution Exercise (MARPOLEX) 2018
The 13th National Marine Pollution Exercise for Indonesia was hosted by the Directorate General of Sea Transportation (DGST), Ministry of Transport in Surabaya from 25-26th July 2018. The event was held over two days with a Tabletop Exercise and deployment exercise at Gresik and Tanjung Perak port areas.

36th Maritime Transport Working Group Meeting
Malaysia and GI SEA updated ASEAN Member States at the 36th MTWG meeting on the activities of the recently completed ASEAN ROSCP Workshop, and other oil spill preparedness activities in Southeast Asia.
