

**STATEMENT OF INTENT BETWEEN
THE INTERNATIONAL MARITIME ORGANIZATION AND IPIECA**

This statement of intent is concluded between the International Maritime Organization (IMO) with address at 4 Albert Embankment, London SE1 7SR, United Kingdom and IPIECA with address at 5th floor, 2019-215 Blackfriars Road, London SEQ 8NL, United Kingdom with respect to their cooperation in the spirit of the Global Initiative.

Through the Global Initiative (GI) partnership, IMO and IPIECA have for many years been working together to improve and sustain the capability of countries to protect their marine and coastal resources at risk from oil spill incidents from any source. This statement of intent signals a willingness on the part of both parties to extend the goals of the GI to the South East Asia region (inclusive of all states within the Association of Southeast Asian Nations). This statement of intent also signals the goodwill by both parties to endeavour to support to the extent possible, , the recommendations agreed upon during the Global Initiative for South East Asia Workshop and Launch event (Jakarta, Indonesia, 20 – 21 March, 2013). Implementation of this statement shall be non-binding and aspirational.
